Nine City Parking Facilities Open for Grandma's Marathon

The City of Duluth on Saturday, June 22, will open nine facilities for Grandma's Marathon event parking. Four surface parking lots, containing 193 total spaces, will open in Canal Park. Five additional parking facilities, located within a block of the race course and containing 1,753 total spaces, will open throughout other areas of downtown.

The Canal Park lots only are open for pre-race parking from 4:00 a.m. to 6:00 a.m. Access in and out of these parking lots then will be shut down until after the races finish. The Canal Park lots will reopen to parkers about 3:00 p.m.

The other downtown surface lots and ramps will be open from 5:00 a.m. until they are full.

Payment must be in cash and will be collected by Interstate Parking event staff at the entrance of each facility.
